#### **BOOKING CONDITIONS**

Track setup and derig to be completed within rented track time.

North Circuit & South Circuit can be run independently from separate pits and race control making it possible to run two events simultaneously.

Insurance - ADMM operates a motorsports facility and there are inherent risks involved in connection with such activities - both in respect of participation and attendance at such a facility. ADMM maintains insurance coverage in compliance with applicable laws, regulations and corporate practice for its own benefit but is neither licensed of nor qualified to provide or otherwise facilitate insurance coverage for any third party.

TRA Licensing of wireless equipment (Radio Frequencies) – the use of all wireless equipment will require frequency spectrum authorisation from the Telecommunications Regulatory Authority (TRA) of the United Arab Emirates (UAE).

Footage License Agreement - content production and use of the footage and/or images shall be subject to the footage & image terms and conditions.

Non-Exclusive Use – ADMM operates various products and facilities and across YMC and as such our venue is open to the general public. In addition and unless the venue is booked exclusively it is likely there will be other clients using and/or sharing various areas across the venue.

YMC has no noise restriction during track timings 0900-2400hrs.

#### **INCLUSIONS**

Dedicated Yas Marina Circuit point of contact.

Race Control Operations.

Fire Tenders are equipped with AFT firefighting rig capable of delivering high powered jets of water or foam and also carry AFFF, Dry Powder and CO2 extinguishers. Fire tenders are located around the circuit for quick response in locations determined by the event safety plan. Fire Tender are also equipped to tow broken down vehicles if necessary.

Rescue Vehicles positioned along the circuit as determined by the safety plan (minimum of 1 at all times). They carry all necessary equipment for disentanglement and extrication including Holmatro Hydraulic cutting equipment. They also carry foam, powder and CO2 extinguishers to supplement the circuit Fire Tender response. Rescue Vehicles can be deployed to tow stricken vehicles.

Circuit Safety Marshals are trained and licensed by the ATCUAE to FIA Grade B in rescue and extrication procedures. Their skills and knowledge are regularly refreshed and tested both internally and externally (FIA, Formula Medicine). YMC reserves the right to fix the number of marshals needed according to the track activity on track.

Medical Cover includes Basic Life Support: Note that unless booked as dedicated, the BLS Medical will be stationed at YMC Medical Centre and will respond to any incident on Circuit; Drag or Vehicle Dynamic Area. Should the ambulance be deployed to an incident, all track activity site wide will cease until cover is reinstated. Only events with dedicated medical can continue uninterrupted.

Use of a briefing room for 40 PAX and projector or LED TV.

Use of up to 12 garages in Main Pits for Grand Prix & North Circuit rental or Support Pits for South Circuit rental.

Fuel station 0830-1830hrs

Track lighting for night time running.

Highspeed Internet ADSL either LAN or WIFI up to 10Mbps.

Bottled drinking water.

### **ADDITIONAL**

Dedicated Medical Cover as listed within this rate card.

Security dedicated deployment available on request.

Fuel station after hours - AED105 per hour (4 hrs. minimum rental if required after 19:00 hrs.)

Hospitality facilities, setups and catering.

Please ask us about corporate hotel rates and other ancillary services available.
